

Welcome to the Lessans Camp JCC Kesef Information Session

November 7, 2024

Agenda

- ❖ **Introductions**
- ❖ **Grades 3 & 4 Options/Descriptions**
- ❖ **Kesef Offerings**
- ❖ **Sample Schedule**
- ❖ **Next Steps**
- ❖ **Q & A**

Entering Grades 3 & 4 Options

- ❖ **Omanut (Creative Arts):** campers will draw, paint sculpt etc.
 - ❖ Field Trip once a session
- ❖ **Habimah (Theater Arts):** campers will learn to act, design sets, dance and sing with a final performance for camp and families.
- ❖ **Maccabiah (Sports Camp):** campers will select team sports to specialize in. Ex: Soccer, basketball etc.
 - ❖ Field Trip once a session
- ❖ **Kesef (Specialty Camp):** Campers will be enrolled in a specialized camp program.
 - ❖ Field Trip once a week

Kesef Description

- ❖ Our Kesef, specialty program is designed for rising 3rd and 4th graders.
- ❖ For part of the day, campers will participate in the specialty activity in which they are enrolled. The rest of the day campers will return to the basic camp activities we offer at Lessans Camp JCC. (Activities include: recreational & instructional swim, climbing wall, art, sports, music, dance and more to round out their day. Kesef campers will enjoy going on field trips once a week.

Kesef Offerings

❖ There are four options for each session to choose from:

Session 1 (June 23-July 3)

1. Traditional
2. Culinary Creations
3. Digital Art
4. LEGO

Session 2 (July 7-July 18)

1. Traditional
2. Baker's Delight
3. Coding: Nature Augmented Reality
4. DIY Design Studio

Session 3 (July 21-August 8)

1. Traditional
2. Dance
3. Coding: Space Augmented Reality
4. Mural Masterpiece

Kesef Offerings

❖ **Traditional**

- Our traditional camp will offer a variety of fun activities including sports, music, climbing wall, arts & crafts, Israel, dance, swimming and more.

❖ **Culinary Creations**

- Campers will embark on a culinary adventure, transforming fresh ingredients into mouthwatering dishes while learning essential kitchen skills. From chopping and stirring to tasting and creating, each day is filled with hands-on cooking fun, sparking a love for food and creativity in the kitchen.

❖ **Digital Art**

- Campers will design their own characters and environments, bringing them to life through augmented reality. They'll create digital art that interacts with the real world in real-time, blending creativity with cutting-edge technology. This elective allows campers to explore their artistic talents while making their creations come alive beyond the computer screen!

❖ **Leggo**

- We're teaming up with Play-Well TEKnologies to provide a half-day of LEGO-filled fun, where campers will collaborate and create while learning about structural engineering, gearing, motors, and more.

Kesef Offerings cont.

❖ Baker's Delight

- Young chefs will dive into the delicious world of sweet treats and savory delights! Campers will mix, knead, and bake their way through fun, interactive recipes, mastering the art of baking while whipping up tasty creations to share with family and friends.

❖ Coding: Nature Augmented Reality

- Get ready to explore jungles, savannas, and coral reefs—without leaving camp! You'll use easy-to-learn coding to build virtual worlds filled with moving animals and plants, even if you've never coded before. By the end, you'll have created your own interactive nature stories using Holographic AR and leave with brand-new coding skills!

❖ DIY Design Studio

- Campers will dive into hands-on projects like designing custom t-shirts, trying out leather stamping, and crafting unique items such as duct tape accessories and tie-dye. This camp sparks creativity and innovation, as campers explore new techniques while making personalized, wearable, and functional pieces to take home!

Kesef Offerings cont.

❖ **Dance**

- Get ready to groove with ACD Dance! Campers will explore different dance styles, learn choreography, and express themselves through movement. Whether they're twirling, popping, or leaping, every camper will feel the rhythm and energy as they take center stage in this high-energy, fun-filled camp.

❖ **Coding: Space Augmented Reality**

- Campers will launch into an epic space adventure using Augmented Reality (AR), coding their own cosmic journeys through galaxies, planets, and stars. With no prior computer skills needed, they'll learn to design interactive AR worlds, explore space mysteries, and bring their imaginations to life.

❖ **Mural Masterpiece**

- Campers will explore the world of murals, learning about different styles and techniques before applying their newfound skills to create something special.

3:30-3:55	Snack and Prepare for Dismissal				
4:00-4:15	Dismissal				

Next Steps

❖ **How do I apply for Kesef?**

- ❖ To apply, select the actual specialty program of your choice - not the specific unit (*Kesef*). For example, if your camper is interested in our LEGO program offered in Session 1, you will select LEGO under Session 1. If your camper is interested in Baker's Delight for Session 2, you will select Baker's Delight under Session 2.
